SOURCES: Data by South Dakota Legislative district are from the U.S. Census Bureau's American Community Survey (ACS). 2013-17 five year estimates.

DEFINITIONS: **Household**-includes all the people who occupy a housing unit. **Median Household Income**-divides the income distribution into two equal parts: one-half of the cases falling below the median income and one-half above the median. This measure represents the middle value (if n is odd) or the average of the two middle values (if n is even) in an ordered list of n data values. **Grandparents as Caregivers**-This question determines if the grandparent is financially responsible for food, shelter, clothing, day care, etc., for any or all grandchildren living in the household. **Public Assistance Income**-includes general assistance and TANF. Separate payments received for hospital or other medical care (vendor payments) are excluded. This does not include SSI or noncash benefits, such as Food Stamps.

SOURCES: Data by South Dakota Legislative district are from the U.S. Census Bureau's American Community Survey (ACS). 2013-17 five year estimates.

DEFINITIONS: **Household**-includes all the people who occupy a housing unit. **Median Household Income**-divides the income distribution into two equal parts: one-half of the cases falling below the median income and one-half above the median. This measure represents the middle value (if n is odd) or the average of the two middle values (if n is even) in an ordered list of n data values. **Grandparents as Caregivers**-This question determines if the grandparent is financially responsible for food, shelter, clothing, day care, etc., for any or all grandchildren living in the household. **Public Assistance Income**-includes general assistance and TANF. Separate payments received for hospital or other medical care (vendor payments) are excluded. This does not include SSI or noncash benefits, such as Food Stamps.

SOURCES: Data by South Dakota Legislative district are from the U.S. Census Bureau's American Community Survey (ACS). 2013-17 five year estimates.

DEFINITIONS: **Household**-includes all the people who occupy a housing unit. **Median Household Income**-divides the income distribution into two equal parts: one-half of the cases falling below the median income and one-half above the median. This measure represents the middle value (if n is odd) or the average of the two middle values (if n is even) in an ordered list of n data values. **Grandparents as Caregivers**-This question determines if the grandparent is financially responsible for food, shelter, clothing, day care, etc., for any or all grandchildren living in the household. **Public Assistance Income**-includes general assistance and TANF. Separate payments received for hospital or other medical care (vendor payments) are excluded. This does not include SSI or noncash benefits, such as Food Stamps.

Percent of Children Under Age 6 with all Parents Working	60.7%	74.4%
Number of Children Ages 6-17 with all Parents Working	1,620 children	103,551 children
Percent of Children Ages 6-17 with all Parents Working	68.3%	80.2%

ECONOMIC	District	State
Median Household Income	\$27,949	\$54,126
Percent of Children Ages 0-17 Living in Poverty	61.8%	18.4%
Percent of Households with Cash Public Assistance Income	8.5%	2.5%
Percent of Households with Food Stamp Benefits (Past 12 Months)	38.5%	10.6%

SOURCES: Data by South Dakota Legislative district are from the U.S. Census Bureau's American Community Survey (ACS). 2013-17 five year estimates.

DEFINITIONS: **Household**-includes all the people who occupy a housing unit. **Median Household Income**-divides the income distribution into two equal parts: one-half of the cases falling below the median income and one-half above the median. This measure represents the middle value (if n is odd) or the average of the two middle values (if n is even) in an ordered list of n data values. **Grandparents as Caregivers**-This question determines if the grandparent is financially responsible for food, shelter, clothing, day care, etc., for any or all grandchildren living in the household. **Public Assistance Income**-includes general assistance and TANF. Separate payments received for hospital or other medical care (vendor payments) are excluded. This does not include SSI or noncash benefits, such as Food Stamps.
